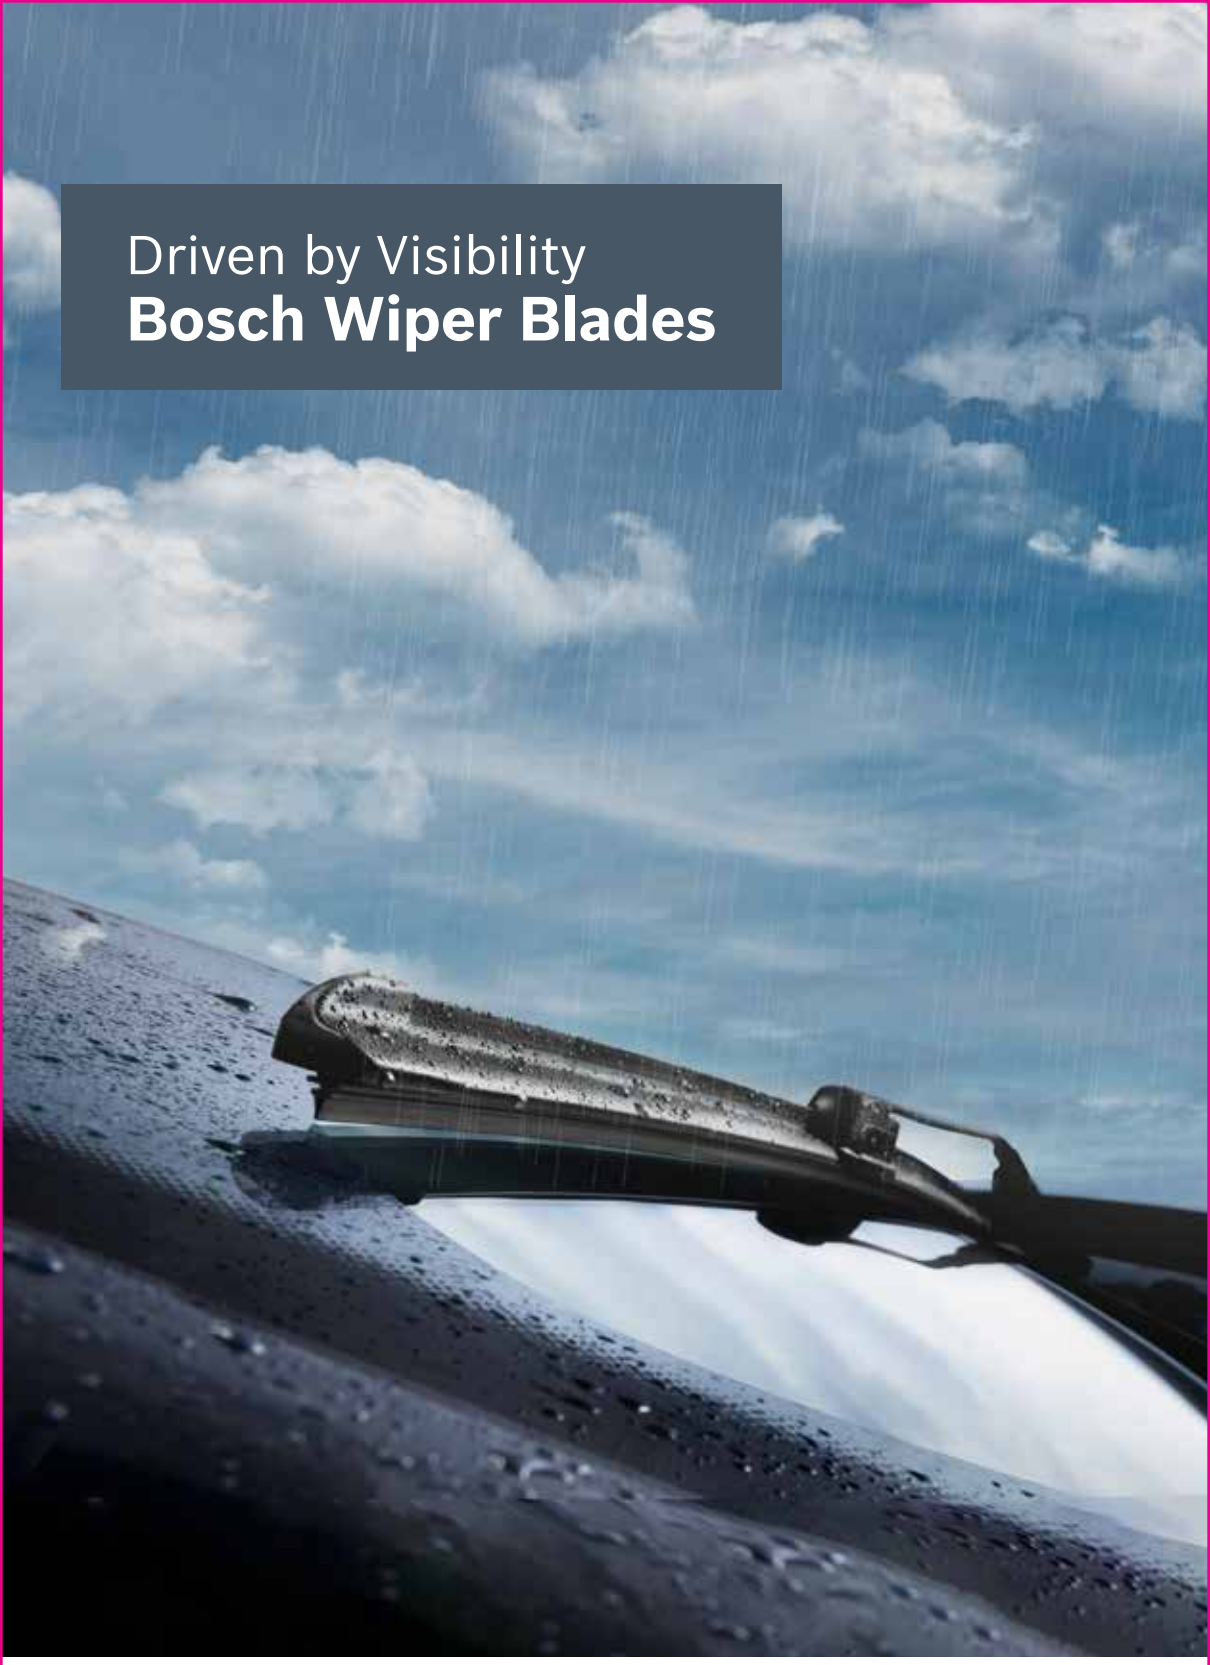
# Driven by Visibility
# **Bosch Wiper Blades**



Invented for life

BOSCH

# The right blade for you

## Get to know the features of the Bosch Wiper Blade Programme

| Model | Performance | Lifetime | Silence |
|---|---|---|---|
| ***AERO***TWIN | ★★★★★ | ★★★★★ | ★★★★★ |
| ***CLEAR*** ADVANTAGE | ★★★★ | ★★★★ | ★★★★ |
| **ECO** | ★★★ | ★★★ | ★★★ |

Bosch was the company that created the wiper blade system and continues to be a leader in innovation and technology, granting the maximum efficiency and longer lifetime of this important safety element.

## ***AERO***TWIN

**Advanced technology for Maximum Performance and Durability**

- Innovative and original equipment technology, for applications with special connection
- Bosch rubber technology with Power Protection Plus coating ensures a smooth and quiet wiping performance for longer service life
- Bosch beam bending technology with Evodium steel provides uniform force distribution across the spring strip for consistent performance across the windshield

**Page 3**

## ***CLEAR*** Advantage

**Advanced flat-blade technology for exceptional performance in any weather**

- Exclusive, blended rubber for virtually streak-free wiping performance
- Premium flat blade technology with precisely tensioned vertebra ensures consistent wiping stability and provides long service life
- Aerodynamic wind spoiler redirects airflow to create a downforce for better performance at high speed

**Page 4**

## ECO

**Quality and safety at more attractive prices**

- Better cost-benefit and high coverage
- 100% Ecologically Produced Natural Rubber
- Quick and easy installation with the Quick-clip adapter

**Page 5**

# Bosch AEROTWIN Wiper Blades

## Maximum performance with innovative rubber technology

**Bosch has developed an internal treatment of rubber, Power Protection Plus, with many advantages in relation to the other wiper blades on the market, which only have a superficial treatment of rubber.**

**Power Protection Plus optimises the efficiency of the wiper blades:**

P·P·P Power Protection Plus

**Gentle Wiper Action**

Power Protection Plus reduces the friction between the rubber edge and the windshield, reducing chattering and running noise.

**Better Visibility**

Power Protection Plus removes streaks and deposits on the windshield for optimum wiping performance.

**Longer Lasting**

More robust and resistant rubber, together with the uniform force of the *Evodium* flexible spring strip, further increase its durability.

# Bosch Clear Advantage Wiper Blades
## Safety at its best

## Bosch Clear Advantage Wiper Blade Benefits

- Uniform pressure on the windscreen achieved across the entire blade
- Absence of wiper claws holding the wiper rubber helps reduce pressure on the windscreen
- Optimised wiping performance: Minimise area of unwiped sections
- Increased durability: Avoid uneven wearing of wiper rubber

### The advantages are clear:

- **Great value**
- **Designed for tropical climate**
- **Clear visibility, high performance in all weather conditions**
- **Highly durable: can last longer than before**
- **Easy and secure DIY installation**
- **Bosch wipers fit 98% of vehicles in India**

# Bosch ECO Wiper Blades
## High quality standard

**Price competitive wiper blade for maximum reliability, efficiency, and safety of the driver**

- Modern easy-to-open packaging
- 100% ecologically produced natural rubber
- Quick and easy application with Quick-Clip adapter
- Graphite-coated rubber edge for an efficient and quiet wipe
